Agency Representatives participating in development of this resource sharing agreement:

George Morris, CAL FIRE
John Estes, USFS -Plumas and Lassen

This resource sharing agreement between USFS (PLUMAS AND LASSEN) and State of California Department of Forestry and Fire Protection (CDF) was prepared under the following guidelines:

1. Responsibility for tort claim costs or compensation for injury costs will not be a part of this agreement. Responsibility for these costs will be the responsibility of the jurisdictional agency and will not be shared.
2. Non-suppression rehabilitation (B.A.R.E.) costs are the responsibility of the jurisdictional agency and will not be shared.

- 3. Both agencies agree the sharing of resources is to extinguish the fires quickly, effectively while keeping all fires to a minimum size. A mutual effort to extinguish fires which present a threat to life, property or infrastructure is the priority. The best and closest resource may be requested or traded with the other agency in a time of need. Shared resources are of equal value and logistical support for these resources is the responsibility of the requesting entity.
- 4. It is hereby agreed that agencies will not bill for any resources which are shared during this incident. Which ever incident a resource is officially assigned to will be responsible for the payment.
